Dear Presidents and Secretary Generals,

It is with great pleasure that I can formally inform you that on May 11th 2013 the Extraordinary AIBA Executive Committee Meeting has unanimously voted to include boxing in the 2015 European Games in showing their overwhelming support towards European Boxing.

This important undertaking is with President Wu's full support in incorporating our sport into the European Games. Moreover, this is a paramount moment for boxing, since this is the first time that it has been integrated into a Continental Olympic sports event, so it is with great honor that it will be in Europe. This will be the first time that Women and Men's boxing will compete in the same major competition besides the Olympic Games.

I am certain that you will take great pride in this news, sharing in our great enthusiasm going towards the 2015 European Games in Baku, Azerbaijan. Our best European athletes will have the opportunity to take part in a prestigious sporting event that will unify the European Olympic Sports Movement.

I look forward to seeing you at quickly approaching European Championships in Minsk.

Sincerely,

Franco Falcinelli
EUBC President
