Subject: Baku 2015 European Games Women's Boxing Qualifiers

Dear Presidents and Secretaries General,

Thank you for your participation in the EUBC European Women's Boxing Championships 2014 in Bucharest, Romania from May 31<sup>st</sup> to June 7<sup>th</sup>. We are pleased to inform you that over 150 boxers have participated in the Championships, representing 31 European countries.

We would like to draw your attention to the fact that we will be opening up the remaining quota places in the 75kg Weight Category to top 5 European Boxers participating in the AIBA Women's World Boxing Championships 2014. Please note that these quota places will be allocated to the best athletes of nations that have not already have a qualified quota place in the 75kg Weight Category. The AIBA Women's World Boxing Championships 2014 is scheduled to take place in Jeju, Korea from November 13<sup>th</sup> - 25<sup>th</sup>.

As 75kg is one of the three women's Weight Categories for the Olympic Games, we strongly recommend your 75kg Boxers to participate in the Women's World Boxing Championships 2014 in order to qualify and take part in the 1<sup>st</sup> European Games in history.

EUBC appreciates your kind understanding and we look forward to seeing you in Jeju, Korea.

Sincerely,

Franco Falcinelli  
EUBC President
