Subject: 2015 European Schoolboys Championships

Dear President,

Due to scheduling and regional issues, the Boxing Federation of Russia had requested for the 2015 European Schoolboys Championships to be moved to Anapa, Russia in late October – early November of this year. The EUBC Executive Committee approved to accept the proposal and thus amending the 2015 EUBC Competition Calendar.

Thank you for your attention and the best success in preparation for these Championships.

Sincerely,

Franco Falcinelli
EUBC President
