Bank Transfer of Deposit for Tournaments and Championships

- Due to difficulties that National Federations have when organizing tournaments or Championships with team no-shows and variation in delegations, the EUBC Executive Committee has approved and encourages organizing National Federations to request the option to have a deposit made by bank transfer from the participating National Federation prior to the event.
- This reduces the risk for organizing National Federations with hotel no-shows as well as establishing an accurate number of participants.

Accommodation Price Range

	Price Range	
All EUBC European Boxing Championships & International Tournaments	Single:	60 – 90 EUR
	Double:	50 – 70 EUR
	Triple:	45 – 60 EUR

The EUBC Executive Committee approved that hotel accommodation price range should be set for all European Championships as well as all international calendar tournaments

R&Js at EUBC Championships

- Except Elite Men and Women Championships, NF will nominate 1, 2 or 3 Star R&Js to EUBC for approval and EUBC R&J Commission will approve them before the Championships. Or R&J Commission holds the right to nominate candidates.
- R&Js are assigned at least 1 months prior to each Championships.
- The R&Js affiliated National Federation covers the airfare and per diem (except Elite Men and Women Championships)

Non-Classified Competitions

- All other boxing competitions on the European continent may be organized [under AIBA rules and regulations] with the prior approval of the EUBC HQs as per the EUBC Constitution:

54. INTERNATIONAL COMPETITIONS AT CONTINENTAL OR NATIONAL LEVEL
