Dear beloved boxing family,

Once again, we are proud to host such an important event in our country to share our boxing passion with you. No doubt, this championship has a special place in European boxing where future generations of boxing gets in the ring, taste the joy of being part of an international championship on their long career to be remembered as great champions.

This championship must be seen within the context of exposing the youth to the boxing world. We see this occasion a great opportunity to identify talents among youth in the boxing world and we believe these events could lead to us having national champions and world champions that we can be proud of.

Sports instill plenty of values that help athletes to cruise through life with honesty and responsibility for themselves and others. It also allows them to be agile and fit that only increases the concentration and the willingness to perform better in any field. It teaches about teamwork, it teaches how to get along with others, it teaches how to work together to achieve a common goal. It is also about trust and responsibility and about dealing with success and failure.

I wish this championship to become a real celebration of boxing, it is an honor and a great source of delight for us to be a conduit between the beauty of sports and the athletes once again, and I strongly believe that all participants will spend a beautiful and unforgettable time in this wonderful city of Erzurum.

Eyup Gozgec
Turkish Boxing Federation President
